

# Park Rules Update

## RMC 9.32

6/2/17

City of Redmond  
WASHINGTON

# Key Topics Being Studied

- Smoking in parks
- Motorized vehicles & e-bikes
- Drone use
- Remote Controlled models
- Dogs/pets
- Park hours

# Smoking

*Current 9.32: marijuana banned, smoking allowed*

Currently Allowed  
except in some seating areas

Consider prohibiting in all parks and trails

# Motorized Vehicles & e-Bikes

*Current 9.32: does not address*

Motorized vehicle law is outdated  
E-Bikes prohibited in King County

Modernize motorized vehicle law  
Consider allowing e-bikes with limitations

# Drones

*Current 9.32: prohibits except by permit*

## Unmanned Aircraft

National Park Service  
U.S. Department of the Interior  
Yellowstone National Park

Launching, landing or operating unmanned or remote controlled aircraft in Yellowstone National Park is prohibited. 36 CFR § 1.5 Closures & Public Use Limits

Currently Prohibited except by permit  
Considered a motorized model

Consider allowing drone use in  
designated areas/parks

# Remote Controlled Models

*Current 9.32: prohibited*

Currently all are prohibited

Consider allowing ground RC models  
with conditions

# Dogs and pets

*Current 9.32: Dogs must be on leash and prohibited in some locations*

Currently language is outdated  
Leashes are required everywhere  
Dog not allowed near swimming areas

Consider modernizing language:  
15' max leash, waste removal,  
responsibility for behavior, synthetic turf

# Park hours

*Current 9.32: dawn to dusk w/ exceptions*

Currently all parks and trails are open dawn to dusk with some exceptions

Consider new exceptions:  
Downtown Park – open late  
Trails – open very late or 24/7
